

American Nuclear Society 2013 Student Conference

April 4th - 6th, 2013

meetings.ans.org/student2013/

Massachusetts Institute of Technology

Call For Papers

Submission Information

Please submit abstracts about recent work that provides original or significant contributions relevant to the topics of interest to the nuclear community. The first author on all submissions must be a student. Paper selection for podium presentations will be judged on the following criteria:

(1) originality, (2) significance, and (3) relevance.

Abstracts should be less than 900 words. Please limit titles to less than 10 words. The authors are required to use the ANS "Guidelines for Transactions and Summary Preparation". Submission will be made electronically through the conference website. Acceptable file formats are Microsoft Word Documents (*.doc or *.docx) or the Portable Document Format (*.pdf).

There will be a limited number of presentations, so while some abstracts may not be accepted for podium presentations, they may be accepted for a poster presentation. Summaries of less than 400 words may also be submitted for consideration as a poster presentation only. Please visit the conference website for more information.

Technical Tracks

- Accelerator Applications
- Aerospace Nuclear Science & Technology
- Biology and Medicine
- Decommissioning, Decontamination, & Reutilization
- Education, Training, & Workforce
- Environmental Sciences
- Fuel Cycle & Waste Management
- Fusion Energy & Plasmas
- Human Factors, Instrumentation & Controls
- Isotopes and Radiation
- Materials Science & Technology
- Mathematics & Computation
- Nonproliferation & Nuclear Safeguards
- Nuclear Criticality Safety
- Nuclear Installations Safety
- Operations & Power
- Policy
- Radiation Protection & Shielding
- Reactor Physics
- Robotics & Remote Systems
- Thermal Hydraulic/Fluids

Important Dates

Submission Deadline

March 1st, 2013

Notification of Acceptance

March 15th, 2013

Conference Chairs

**Nathan Gibson
Ekaterina Paramonova
Samuel Brinton**

Program Chair

Bryan Herman
